

Transfer Pricing University
Building Intelligence
Through Education

An Online Educational Program

**Transfer Pricing University
is a program established by
CrossBorder Solutions
to educate tax professionals
on the fundamental concepts
of transfer pricing.**

TPU courses dive into the heart of transfer pricing compliance and planning, leaving our students more confident and capable of handling this important international tax issue. The program has provided thousands of tax professionals with the foundation needed to better manage their companies' transfer pricing compliance efforts.

TPU professors are our very own economists and transfer pricing experts. TPU 101 sessions are held online on a weekly basis. We provide additional opportunities to complete more advanced coursework and participate in supplementary sessions.

Upon completion of the 101 program, attendees may receive up to four CPE credits. There is no charge for this program.

Details

Courses are provided online through video webinar sessions with interactive Q&A via chat.

CPE Credits

CrossBorder Solutions is an accredited sponsor of the National Association of State Boards of Accountancy (NASBA) and can provide continuing education credits. Attendees may receive up to four credits for completing TPU 101.

Contact

Please email us if you have any questions or need a certificate of completion at

TPU@crossbordersolutions.io

or call **+1 (646) 767-7542**.

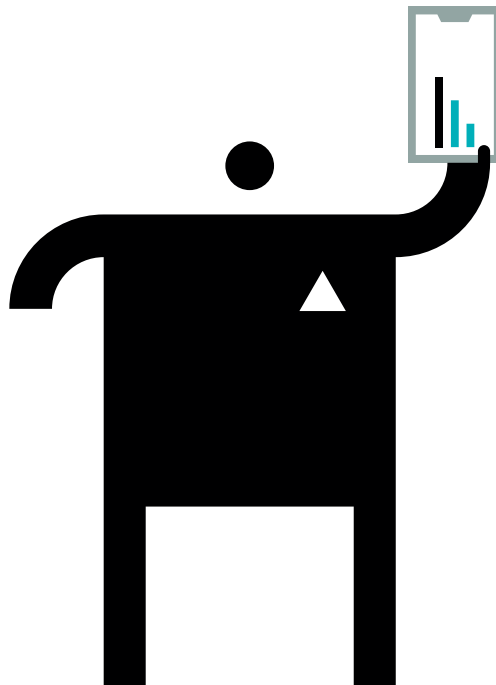

Admission

As these are basic courses, there are no prerequisites, and no advanced preparation is required to attend.

To reserve your seat and enroll in the Spring II Semester of Transfer Pricing University 101 or to find out more information, please call or email us.

About Crossborder Solutions

By employing powerful technology, we provide multinational corporations with the ability to lower their effective tax rate while simultaneously complying with worldwide transfer pricing regulations. For more information, visit us at **crossbordersolutions.io**

101 Course Overview

Spring II Semester

Introduction to Transfer Pricing

May 10, 2018: 2pm ET

Provides an overview of transfer pricing and its importance to multinational corporations.

Transfer Pricing Methodologies

May 17, 2018: 2pm ET

Provides an overview of the four main types of transaction-based transfer pricing methods (CUP, CUT, Resale Price, & Cost Plus) and the three main profit-based methods (CPM, TNMM, & Profit Split).

PLIs, Range Construction, and Adjustments

May 24, 2018: 2pm ET

Outlines the various profit level indicators that are used to measure profitability and shows how an arm's-length range should be constructed.

Basics of Selecting Comparables

May 31, 2018: 2pm ET

Provides real-world applications of the CPM/TNMM method; learn how to select your tested party, create a search strategy, and select your comparable companies.
